

Kitten Adoption Application Form

The first step in the process of adopting a pet from Animal Kitty Haven Rescue is to complete this application. The application provides important information. Working with you, we will be able to determine if the adoption is in the pet's best interest, and the process ensures that you will find a pet well suited to your lifestyle.

Please provide detailed information for all questions.

Our adoption fee includes the cost for vaccinations and other medical care, the spaying or neutering of the animal, and an adoption service charge. If the pet you have chosen has not yet been spayed or neutered, you may be able to take it home with you. You will not be allowed to adopt a kitten if he/she has not been spayed; however, we may allow you to adopt if you are willing to sign a disclosure statement, stating that you will have the kitten spayed/natured within two weeks of adoption.

To qualify for adoption, you must

- Be at least 21 years old and have a valid driver's license or state Identification Card stating your current address
- Have the knowledge and consent of a landlord, if relevant
- Be able and willing to spend the time and money necessary to provide medical treatment, proper nourishment and care, and training for a pet

Please note: We reserve the right to refuse adoption to anyone. We will not adopt to persons who mislead or fail to provide accurate information on this application.
